Dear Harold,

Good to talk to you.

As you say, I'm sorry we couldn't meet with the present ambience. Still, I would find it shocking that Jerry would ever do a dishonest or malign act against you - if only because of his deep feeling toward you and your wife. Perhaps, an error of judgement or interpretation ----- . Yet do you not have more in common with J.P. than that which divides you? Of course, I don't know.

Will check on "Neely". His medical "research" academically unacceptable which is sorry conclusions as the enclosure suggests. The promise - Bremer is psychotic - and ipso facto "a bona assassin" has no validity. Dick Gregory on Nov. 15, 1966 in The East Village Other: "George Wallace would be killed by the same white - Christian that gets his money from the Miners

of Africa because Wallace would screw up Foreign investments.

Mayer Hubbard's Big book. Smith or Lesar read it.

Glad you share my analysis of Ray.

The Mysteries of the assassinations and Vietnam hang like a shroud over America.

The Garrett P.P. are very incomplete with little internal data, N.S.C meetings or documentation on the L.B.J. shift. Vast Lacunae.

The Gervais data a good expose piece.

Hope a collaborator can be found. Your Iran data is sensational.

Don't let the convoluted internecine battles bother you.

Your historical achievement is secure now. Endeavors Forever. Take good care of yourself.

Sincerely,

Ed
